President: Order, order. I have received notices for two adjournment motions. The first one from Mr. Abdur Rahiman Sahib is to consider a definite matter of urgent public importance, *viz*, the situation created by the recent G. O. R. Dis. No. 1070/37/ Education dated the 13th July 1937, restricting the number of Muslims entitled to fee concession and withdrawing half-fee concessions enjoyed by them till now in all departmental schools and Colleges, as it would retard the progress of Muslim education in general.

As already stated elsewhere that is a matter of recent occurrence and not of urgent public importance, and it is quite open to the honourable member to raise the question in the course of the general discussion on the budget. So I rule the motion out of order.

The second one is from Mr. K. R. Elenkath for discussing a matter of urgent public importance, *viz.*, the distressing situation of the ryots of Nanjinad and Edanad caused by the failure of the Kodayar Reservoir at a critical period when irrigational facilities for the next Kanni crop were most needed in that area.

That I hold is a matter of urgent public importance and I should like to know whether there is any honourable member who has any objection to have that matter discussed. As no objection has been expressed the motion will be taken for discussion in the afternoon of Monday the 9th August 1937 at 3·30 P. M.
